But Freud wasn't even in his grave before new schools of thought were generating new questions about our first relationships and their lasting impact on us. ... was becoming attached, and I was ...

Becoming Attached - The Atlantic

The struggle to understand the parent-child bond touches us deeply because we intuitively sense that our first relationships hold many clues to how we've become who we are (Karen, 1994). I chose to do a report on this book because of the keen interest I have in children, their development, well-being and emotional life.
