Kemal Ataturk, the founder of modern Turkey, who built a modern nation out of a medieval backwater by what amounted to sheer force of will, was a truly amazing giant of history. Kinross clearly has a great admiration for the man, and I worried at first that the text would be little more than hero worship.

The book was quite a nice read. Have not read other bios of Ataturk, but I found this very well written bio. The political maneuvering portions of the book were tedious at times, but most of the book, especially the military campaigns were real page turners. Ataturk moved and led Turkey as few have ever led nation.
