It is a pass or fail test for us in our program, we have 2 opportunities to reach level 2. The majority who pass, pass by like 1 or 2 questions. The practice tests seem to be completely different information than on the test and the sample questions in the book are way easier than the most random questions ATI places on their test.

This was my plan prior to the comprehensive. Practice every single ati test bank that you have!! Make a detailed plan that allows you to cover the majority of the topics. Such as do the ati practice test for maternity one day do another version. The next day do pediatrics, do at least two different test.
