Our practice tests have two modes. Our Simulation Mode reproduces an actual test and allows you to see your answers and read about each question after you are done. Our Topic Review Mode allows you to complete each question one at a time and navigate through the question bank on a question-by-question basis.

Brainbench - The Measure of Achievement - 123assess.com

You get three minutes per question - if you let the time for that question run out, you fail the question, so you have to keep one eye on the counter and be prepared to make your best guess if it gets low. There are questions you can answer in ten seconds and there are others that (for me at least) have me using all of the three minutes.

Has anyone taken a C++ BrainBench test recently? - reddit

I would recommend for the Oracle Java certifications. That is the most standard and worth for the money. If you are searching for a job, then people will ask for the Oracle certification, not brain bench certification. You can prepare for either O...
