No one becomes a teacher for the money. You're in the classroom because the rewards of being a teacher still compensate (on most days at least) for the low pay and long, grueling hours. Teaching after all is a public service, not a business. But are teaching and entrepreneurship mutually exclusive ...

Decisions about credit loom large in the lives of adults as they consider buying big-ticket items- a home or a new car, for example. Young people often use credit, too-using credit cards to buy goods and services, for example, or taking out loans to pay for college expenses-and the decisions they make in these cases can have important consequences.
