The relationship of karma to causality is a central motif in all schools of Hindu, Jain and Buddhist thought. The theory of karma as causality holds that (1) executed actions of an individual affects the individual and the life he or she lives, and (2) the intentions of an individual affects the individual and the life he or she lives.

It is with pleasure that this online version of Charlotte Mason's six-volume book series is provided for public reading and study. Her own words (below) lead one to believe that she would have wanted the truths she discovered to be shared freely with the public, and it is hoped that her words will inspire all who teach to use her ideas 'for the children's sake.'
