VoiceThread - Conversations in the cloud

The rationale behind all this is... I would think that rationale could rather be replaced by reasoning than logic, but both are certainly possible. Rationale highlights more the deduction process than the set of rules behind it.. Rationale is derived from Latin ratio, which is the human reason, brain, wit, understanding.. Look at rational, rationality: in philosophy, rationality is the exercise ...

Georgia Performance Standards

Observations occur when we can see something happening. In contrast, inferences are what we figure out based on an experience. Helping students understand when information is implied, or not directly stated, will improve their skill in drawing conclusions and making inferences. These skills will be needed for all sorts of school assignments, including reading, science and
