This is why you remain in the best website to look the amazing books to have.*

### **Better Never To Have Been**

Better Never to Have Been is a great conversation piece and a great book for the nonphilosopher or nonpoetic type. I would hope that people would read this book with an open mind, and I've noticed that some of the lower star reviewers admitted that they didn't read the entire (or even most) of the book.

### **Better Never to Have Been: The Harm Of Coming Into ...**

Better Never to Have Been is a tremendous philosophical work dealing with antinatalism. In it, David Benatar argues for that which no one has the courage to argue for: That coming into existence is always a harm and that sometimes life may not only not be worth starting but also not worth continuing.

### **Better Never to Have Been: The Harm of Coming into ...**

"It is a fearful thing to fall into the hands of the living God" (Heb 10:31). So terrible, in fact, that it would be better never to have been born (Mt 26:24).

### **Better Never To Have Been Born | Dominicana**

Better Never to Have Been Quotes Showing 1-28 of 28 "It is curious that while good people go to great lengths to spare their children from suffering, few of them seem to notice that the one (and only) guaranteed way to prevent all the suffering of their children is not to bring those children into existence in the first place."

### **Better Never to Have Been Quotes by David Benatar**

And, in practice, even if not quite in principle, all our lives are in this way mixed. So all our lives are such that it would have been better had they never been started. Buy into a plausible asymmetry, then, and the seemingly implausible claim soon follows. Now it might not be easy to grasp the detail in this.

### **Better Never to Have Been: The Harm of Coming into ...**

David Benatar. Better Never To Have Been: The Harm of Coming into Existence (Oxford: Oxford University Press, 2006) ELIZABETH HARMAN Princeton University In this book, David Benatar argues that every person is severely harmed by being brought into existence, and that in bringing any person into existence one impermissibly harms that person.

### **Critical Study David Benatar. Better Never To Have Been ...**

Better Never to Have Been challenges these assumptions. David Benatar argues that coming into existence is always a serious harm. Most people believe that they were either benefited or at least not harmed by being brought into existence. Thus, if they ever do reflect on whether they should bring others into existence---rather than having ...

### **Better Never to Have Been - David Benatar - Oxford ...**

There are now too many reviews and articles about Better Never to Have Been for David Benatar to respond to them all. Responses to some of the following will be added when and if time permits. Responses to some of the following will be added when and if time permits.

### **Better Never to Have Been | Department of Philosophy**

David Benatar is professor of philosophy and head of the Department of Philosophy at the University of Cape Town in Cape Town, South Africa. He is best known for his advocacy of antinatalism. His article, "Why It Is Better Never to Come into Existence," espouses the view that it is always a harm to be born, as does his book, Better Never to Have Been: The Harm of Coming into Existence.

### **Summary of David Benatar's, Better Never to Have Been ...**

David Benatar. Better Never to Have Been: The Harm of Coming into Existence. Published: June 09, 2007 David Benatar, Better Never to Have Been: The Harm of Coming into Existence, Oxford

University Press, 2006, 238pp., \$45.00 (hbk), ISBN 0199296421 Reviewed by Christopher Belshaw, The Open University

**Better Never to Have Been: The Harm of Coming into ...**

Better Never to Have Been challenges these assumptions. David Benatar argues that coming into existence is always a serious harm. Although the good things in one's life make one's life go better than it otherwise would have gone, one could not have been deprived by their absence if one had not existed. Those who never exist cannot be deprived.
