Indian termination was the policy of the United States from the mid-1940s to the mid-1960s. It was shaped by a series of laws and policies with the intent of assimilating Native Americans into mainstream American society. Assimilation was not new. The belief that indigenous people should abandon their traditional lives and become "civilized" had been the basis of policy for centuries.

The Congressional elections of 1866 brought Radical Republicans to power. They wanted to punish the South, and to prevent the ruling class from continuing in power. They passed the Military Reconstruction Acts of 1867, which divided the South into five military districts and outlined how the new governments would be designed. Under federal bayonets, blacks, including those who had recently been ...

II. Antebellum Western Migration and Indian Removal. After the War of 1812, Americans settled the Great Lakes region rapidly thanks in part to aggressive land sales by the federal government. 6 Missouri's admission as a slave state presented the first major crisis over westward migration and American expansion in the antebellum period. Farther north, lead and iron ore mining spurred ...

At Andrew Jackson's 1828 inauguration, hundreds of bearded, buckskin-clad frontiersmen trashed the White House while celebrating the election of one of their own to the Presidency. Though born in South Carolina, Jackson, like many others, had moved to the frontier. Indeed, America was a country on the move west.
