Being In Balance 9 Principles

The Peelian principles summarise the ideas that Sir Robert Peel developed to define an ethical police force. The approach expressed in these principles is commonly known as policing by consent in the United Kingdom and other countries such as Canada, Australia and New Zealand.. In this model of policing, police officers are regarded as citizens in uniform.

Best Practices for Survey Research "The quality of a survey is best judged not by its size, scope, or prominence, but by how much attention is given to [preventing, measuring and] dealing with the many important problems that can arise."

Best Practices for Survey Research - AAPOR

Proportion refers to the size of parts of the design in relation to each other and to the design as a whole. One large towering oak may compliment an office building but would probably dwarf a single story residence (Figure 5). A three-foot pool would be lost in a large open lawn but would fit beautifully into a small private area.
