The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other.. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the religions of the world.

Some folks can develop into fluent in speaking in merely a year or so, whereas others might need much longer. Whatever occurs in the whole year is considered, observed and analyzed by everyone at the conclusion of the year and after that, they are prepared to begin a new year by obeying the rules they make for themselves or some resolutions and attempting to remain on the perfect path.
