Catherine de' Medici's patronage of the arts made a significant contribution to the French Renaissance. Catherine was inspired by the example of her father-in-law, King Francis I of France (reigned 1515–1547), who had hosted the leading artists of Europe at his court. As a young woman, she witnessed at first hand the artistic flowering stimulated by his patronage.

Catherine de' Medici's patronage of the arts - Wikipedia

Had Catherine de Medici been born noble and beautiful, I suspect history might have praised her—as we do Elizabeth I—for her abilities as a diplomat, politician, fashionista, and patroness of arts and culture, because Catherine was all that, and more as biographer Leonie Frieda aptly demonstrates in “Catherine de Medici: Renaissance Queen of France.”
