### **Black Pain It Just Looks**

My mother woke this morning with a black right eye, was unaware of it before seeing it in a mirror, it hadn't caused discomfort, also with no apparent cause. The bruising is only above the eye, very dark bruising with a sharp, well defined boundary. My search of the net only found info on cases of sudden bruising beneath, not above the eye. This thread is the only hit that mirrors my mothers ...

So apparently my choice of colors for the house is a) monochromatic and b) goes in phases. I am in what Sergey calls a "black phase" which follows a "white phase." When the kitchen renovation started, Sergey was shocked and appalled at the idea of everything being white: cabinets? white, tin ceiling? - white!, what even the floor?? - yep, white (though featuring black rosettes and ...
