Summary: Flea bombs, sometimes called a flea fogger, have been used for years to effectively control fleas in homes throughout the world. However, using a flea bomb can put your family and pets at risk due to the chemical residue that remains after use and should only be used in extreme circumstances where there is a massive flea infestation (or a battle that you have just been unable to win ...

yuki May 19 2018 3:53 pm The drama is the most disappointing drama I have ever seen, it just doesn't make any sense! At the end you will ask yourself, why the hell this drama started then? In what direction the plot was heading? It's the definition of disappointment..although most of Kdramas are like that, and I guess all of you agree but this one is really waste of time..don't watch it ...
