The Citizenship Papers is the application of Wendell Berry's "agrarian philosophy" to the first decade of the 21st century. The essays contained in the second half of the book feel like little more than reworkings of Berry's already well-expounded ideas, a criticism that is unimportant given the immense necessity of these ideas.

Cagey uses of the essay as a town meeting to air threats to the commonweal. Our times are uneasy, Berry (Jayber Crow, 2000, etc.) states; critical elements of the American democratic tradition are being lifted wholesale from the foundation and carted away in broad daylight. A case in point is our new national-security policy, which "depends on the acquiescence of a public kept fearful and ...
