But before I get into specifics about the book, I'd first like to make a few comments about the author. I became a Deanna Roy fan several years ago after first reading her heartwarming Forever Series and became even more entranced with her work after discovering her alter-egos, JJ Knight and Annie Winters.

Taking place nearly a century before the events of A Game of Thrones, A Knight of the Seven Kingdoms compiles the first three official prequel novellas to George R. R. Martin's ongoing masterwork, A Song of Ice and Fire. These never-before-collected adventures recount an age when the Targaryen line still holds the Iron Throne, and the memory of the last dragon has not yet passed from living ...
