Released: 2013 From an outsider's perspective, Awoken seems to be the step taken too far in the universe of young adult supernatural novels. But what appears to be a bizarre take on the trope is rather a parody so subtle many have taken it for the real deal. The author is not in fact 'Serra Elinsen', but rather Nostalgia Chick's Lindsay Ellis, along with her best friends and co-stars of ...

Most Helpful Customer Reviews. Awoken lays open that uncomfortable reality in a brilliant way, much like the previously mentioned "Airplane" did in exposing people's love of 1970's disaster and disco/ black exploitation flicks. Serra's a genius, I tell ya.
