As a student of many (large #) of personal development books ("he who 'needs', reads"), I was skeptical that this book could offer more. And while I don't think there was much new in this book that I hadn't read in much deeper tomes, I think Keller did a terrific job in synthesizing the key concepts in a thin 130-page book that is an easy and quick read.

Final Words. Our attitude is not set in stone, and it can change at every point in life. It only requires us to decide we want to change, commit to our decision and keep trying to change until we see the shift happening. After that, if we keep repeating the new pattern of thought it becomes our new nature.
