Beat (The Beat And The Pulse #1) About book: When he found himself in asshole distance, he took every opportunity to wind me up with a word here or there...or a look. He didn't have to do very much to piss me off because I wasn't very happy to begin with. He did nothing to squash the stereotype that all beautiful people were vapid beasts, not that I expected him to.

The difference between beat vs. pulse has to do with grouping. Beats are grouped into 2, 3, 4, 6, etc. while the pulse is an underlying, ongoing level of pulsation without any distinction of a downbeat or grouping of regular patterns (no beginning and end). Beats and pulsation could feel the same, but often the pulse is moving faster than the beat.

pulse | meaning of pulse in Longman Dictionary of ...

The pulse may be audible or implied. The tempo of the piece is the speed of the pulse. If a pulse becomes too fast it would become a drone; one that is too slow would be perceived as unconnected sounds. When the period of any continuous beat is faster than 8-10 per second or slower than 1 per 1.5-2 seconds, it cannot be perceived as such. " Musical" pulses are generally specified in the ...

Pulse (music) - Wikipedia

Your pulse is your heart rate, or the number of times your heart beats in one minute. Pulse rates vary from person to person. Your pulse is lower when you are at rest and increases when you exercise (more oxygen-rich blood is needed by the body when you exercise).
