Back To Our Future How

I love Back to the Future. While having a typical 80s feel to it, which I like, I love how fun, irresistible and original the film is. The special effects are dazzling and the comedy is suitably ...

Back to the Future (1985) - Rotten Tomatoes

Directed by Robert Zemeckis. With Michael J. Fox, Christopher Lloyd, Lea Thompson, Crispin Glover. Marty McFly, a 17-year-old high school student, is accidentally sent thirty years into the past in a time-traveling DeLorean invented by his close friend, the maverick scientist Doc Brown.

BACK TO THE FUTURE Written by Robert Zemeckis & Bob Gale

This signposts document consists of two separate but closely related works: this timeline and perspectives on the future. The timeline offers a general outline of our possible future history, and is somewhat conservative and circumscribed in what it offers the reader. The timeline is meant to be the 'harder' (or more factual/credible) of the two works, in terms of science and predictions.

An illustrated speculative timeline of future technology ...

Few countries have more entrepreneurial potential than India. It's home not just to the wave of IT offshoring firms of the 1990s and early 2000s, but also to some of the most interesting unicorn ...
