The power of habit. A habit is any act we engage in automatically without thinking about it. For example, when you brush your teeth, you don't have to think about every single step from start to finish; once you stagger up to the sink, habit takes over (and, really, habit got you to the sink in the first place) and you find yourself putting toothpaste on your toothbrush, putting the ...

The history of cinema has given us some indelible classics, movies like Citizen Kane, Gone with the Wind, The Godfather, and Casablanca. But there have also been some grade-A stinkers, movies so terribly conceived—poor production values, amateurish directing, and some of the worst acting this side of a middle school play—that we're not sure whether to laugh or cry.
