Axiomatic : Short Stories of Science Fiction by Greg Egan

Axiomatic, by Greg Egan. Hugely original ideas, not every story is a home run but there are enough 5/5 stories here to make this very recommended for any fan of hard science fiction. The concepts are extremely unique even 20 years later. Very similar to Ted Chiang's writing. I have no idea why Greg Egan isn't a household name in SF.

Axiomatic, by Greg Egan - Heradas

Egan's Axiomatic is a collection of short stories solidly in the classical tradition of science fiction. While some of the stories are based on physics (and particularly quantum mechanics), Egan also draws on more recent work in molecular biology and computer science for inspiration.

Axiomatic (Greg Egan) - book review - nonfiction)

Axiomatic is a very fine collection. Greg Egan is obviously very skilled in the art of the short story. Before I read Diaspora, I read the first short story in this book, and I really enjoyed it. It instantly hooked, explained events and the world over the course of the story and finished neatly in the course of the few pages allotted.
