Different Class is the third of a series of novels set in the fictional town of Malbry. It follows on directly from Gentlemen and Players, revisiting St Oswald's Grammar School (and most of the characters therein) a year after a series of distressing events, which culminated in murder. In narrative terms, it also precedes Blueeyedboy, which is set in the area around the school, and it ...

Synesthesia is a perceptual phenomenon in which stimulation of one sensory or cognitive pathway leads to automatic, involuntary experiences in a second sensory or cognitive pathway. People who report a lifelong history of such experiences are known as synesthetes.. The term is from the Ancient Greek σύν syn, "together", and αἴσθησις aisthēsis, "sensation".

### Synesthesia - Wikipedia

"John Buchan's career as a writer, one of the best-selling of his day, would have been remarkable, even in someone who had done nothing else. He wrote more than a hundred books, including twenty-seven novels, six substantial biographies, a monumental twenty-four-volume contemporary account of the First World War, three works of political philosophy and a legal textbook.
