I can't imagine a more well-structured 3-month program to prepare students for the current Data Scientist job market. The type of work covered in independent projects, the statistical inference/ML curriculum, and daily programming challenges are exactly what companies (in SF at least) are testing for in Data Science positions today. While the post-graduation interview process is difficult, I ...

Be aware of fake job advertisements. Novartis is aware of employment scams which make false use of our company name to defraud job seekers. Novartis does not make job offers without interview and never asks candidates for money.

**Join Us | Novartis**

So what is a good question? Well, it basically depends on the position you are interviewing for and how the interview has gone thus far. Ordinarily, you will get the opportunity to ask questions after you have been interviewed; so, if your interview has been sour up to this point, this will be the only chance you get to redeem yourself. On the contrary, if you feel that you have had a good ...
