If it does, skip the book. If not, you will probably really like it. So read on to see what bugged the heck out of me: The problems I had with her most recent release, A Thousand Pieces of You, had nothing to do with her technical writing skills. Rather, it was the plot and development of the story itself that fell into, well, a thousand pieces.

Amazon.com: A Thousand Pieces of You (Firebird Book 1 ...

A Thousand Pieces of You explores philosophical questions about identity, the paradoxes of time travel, and the way love can transcend time and space. The story will make readers ponder the idea of fate and whether a romance is "meant to be" while also stressing the importance of artistic, not just scientific, thought.
