LEMOV WAS NOT the first educator to come to the conclusion that teachers need better training. In the spring of 1986, a group of university deans sat in an apartment near the University of ...

Building a Better Teacher - The New York Times

I think this book would be better served if it was renamed "Building a Better Teacher: A History." As a teacher, I found this book to be extremely fascinating! And very true about teachers and teacher reform. And I actually liked Green's writing habit of building a particular movement up as amazing before dismantling it in the next section.
