Face mapping is an invaluable tool for diagnosing acne. So get prepared for a really long post focusing on...face mapping for acne! Some of these face maps will seem contradictory and some will not resonate with you.

Face Mapping For Acne - The Ultimate Guide

The very concept of the chakra etymologically originates directly from the Sanskrit root चक्र. The "tsschakra" remained in virtual linguistic conformity throughout possible adaptations throughout the relative temporal and linguist adversity of two thousand years.

Chakra - Wikipedia

Randomness is the lack of pattern or predictability in events. A random sequence of events, symbols or steps has no order and does not follow an intelligible pattern or combination. Individual random events are by definition unpredictable, but in many cases the frequency of different outcomes over a large number of events (or "trials") is predictable.

Randomness - Wikipedia
