For Instructors. Many Point sites include additional online resources designed specifically for instructors to help prepare for the semester and engage students both in and out of the classroom.

When cats walk or climb on your keyboard, they can enter random commands and data, damage your files, and even crash your computer. This can happen whether you are near the computer or have suddenly been called away from it. PawSense is a software utility that helps protect your computer from cats. It quickly detects and blocks cat typing, and also helps train your cat to stay off the computer ...

If you don't have a volume control software on your PC, or are not satisfied with the standard solution from Microsoft; want a Windows audio mixer with advanced features such as quick and easy volume tuning by using hot keys and mouse, saving and restoring all your audio settings just by one mouse click, scheduled volume adjusting, command line support and much more - try Power Mixer.
