"Behind His Lens" was another one of those books I didn't have to force myself through because it was a really quick read, but that just didn't leave a lasting impression and wowed me. It took me some time to get into the novel and even though I started enjoying the story at some point, I also noticed how I started skimming it a lot during the ...

Behind His Lens is a beautiful and captivating story that reached into my heart and tugged on those heart strings and made me swoon, cry, laugh and swoon again. Jude and Charley's connection, not to mention chemistry, is glorious and undeniable.

But everything about Charley sets his body on fire. When a tropical photo shoot in Hawaii forces the stubborn pair into sexually charged situations, their chemistry can no longer be ignored. They'll have to decide if they're willing to break their rules and leave the past behind or if they'll stay consumed by their demons forever.

The thing that I loved most about Behind His Lens is this story could have easily been one of my girlfriends love story. The drama is realistic and not overly done. The heart of the story is the connection and growth the H/H make together. Jude is hot and wonderful and only has eyes for Charley the minute he sets his sights on her he is done for.

Amazon.com: Customer reviews: Behind His Lens

Behind His Lens by Beth Michele was a well-written love story that captured the sentiment love is love. While M/M romance may not be everyone's cup of tea, I loved that Michele explored the different facets of raw emotions and sexuality as the hero explored this newfound desire to be with a man.
