RAFT is a writing strategy that helps students understand their roles as writers, the audience they will address, the varied formats for writing, and the topic they'll be writing about. By using this strategy, teachers encourage students to write creatively, to consider a topic from a different perspective, and to gain practice writing for different audiences.

RAFT | Classroom Strategies | Reading Rockets

Good readers construct mental images as they read a text. By using prior knowledge and background experiences, readers connect the author's writing with a personal picture. Through guided visualization, students learn how to create mental pictures as they read.
