Burned Alive

Many baby girls who manage to make it out of the womb alive end up in orphanages. This perturbing aspect of females helping to perpetuate their own subservient status is an irony usually overlooked by readers. Burned Alive is a timeless story. This version just happens to take place in Palestine. Souad lives a very isolated and abusive life.

Brûlée Vive book by Souad

In "Burned Alive," Souad describes how a young woman in her village died in childbirth, while attempting to give birth to twins. It is a touching story, and in fact the only natural death known to her - all the other deaths in her village being the result of murders.
