CLU-IN's ongoing series of Internet Seminars are free, web-based slide presentations with a companion audio portion. We provide two options for accessing the audio portion of the seminar: by phone line or streaming audio simulcast.

### **CLU-IN | Training & Events**

How was the spill cleaned up? Complicated question. It took more than four summers of cleanup efforts before the effort was called off. Not all beaches were cleaned and some beaches remain oiled today. At its peak the cleanup effort included 10,000 workers, about 1,000 boats and roughly 100 airplanes and helicopters, known as Exxon's army, navy, and air force.
