Segua: I had no clue that Costa Rica had artisan beers and this one took us by surprise when we stumbled on it. This red ale is crisp, light, and great if you're looking to steer clear of water beer and are looking for something with flavor. Anything involving fruit juice, Cacique, and an umbrella in it: Did you know that Costa Rica is known for their watermelon and pineapple exports?

30 Mar 2019. match a song to a video memory. I have a memory of a video with a single female artist singing in knee deepwater. +It was dark and the water was very deep blue. +She might have

been in a white dress but can't fully remember that. +It was late 80's early 90's and at first I was sure it was Belinda Carlisle, but can't find that video, so maybe it was an artist similar to her.  
+Help!?

(Wayne Lytle, the guy who does Animusic, has had health and business woes for many years. I'm frankly amazed he was able to get this music out at all.)
