In 1968, thirteen men gathered at the Harvard Medical School to virtually undo 5,000 years of the study of death. In a three-month period, the Harvard committee (full name: the Ad Hoc Committee of the Harvard Medical School to Examine the Definition of Brain Death) hammered out a simple set of criteria that today allows doctors to declare a person dead in less time than it takes to get a ...

The Truth About Cancer Documentary Series Review

I get asked this question all of the time: "Do you have any cancer fighting juice recipes?". Well, for a while my answer was complicated. If you look back at my holistic and natural cancer treatment story, you'll see I didn't really juice that much while I was going through my treatment. I mainly stuck to vegetable smoothies and salads because there was so much confusing information ...
