Ageless Wisdom is one of those illusive phrases we all hear a lot and wonder how we can feel it, live it and be it. Some call it an inner knowing or a Divine connection, others an evolved state of being or empowered living in a state of flow. It is quite simply the timeless essence of all truth teachings that have been shared by The Avatar in every Age.

### **What Is Ageless Wisdom — RITA HRAIZ**

Did the Buddha say something even vaguely like this? He might have, but these aren't his words. One objection I often hear to my investigation of suspicious quotes is that it's the meaning and spirit of a quote that are important, not who said it.
