This article by Joan Smutney addresses some of the issues gifted girls face once they are in school. Gifted girls may feel they have to pay a high price for their talent because they are treated differently by their peers than the girls of average ability. They may also find that gifted boys are encouraged much more than girls. At times, these girls do not even realize they are gifted, they ...

Libertarianism (from Latin: libertas, meaning "freedom") is a collection of political philosophies and movements that uphold liberty as a core principle. Libertarians seek to maximize political freedom and autonomy, emphasizing freedom of choice, voluntary association, and individual judgment. Libertarians share a skepticism of authority and state power, but they diverge on the scope of their ...
