This site is about seeing through the illusion of separation and waking up to the boundless wholeness that is all there is. Joan Tollifson has an affinity with Advaita, Zen Buddhism and radical nonduality but has her own unique and original expression. She points to the simplicity of what is, as it is -- the ever-present, ever-changing seamlessness of being.

I've prefaced many an article with how well-balanced I think the 5e rules are, and the more I play, the more I realised how spot on WOTC got things... well apart from Counterspell, healing rules, Paladins (in particular their divine smite ability), and a few other bits and pieces.. One - inexplicable - thing that blows my mind though is how the Lucky feat survived playtesting.
