Dream Theater's EP 'A Change of Season's' definitely is an EP even though the entire run time is over 57 minutes. The reason for this is there is only the one original track on this EP which runs over 23 minutes, a suite that was originally written for inclusion on the album 'Images and Words', but for some reason, it was left off that album and released this way.

1. Overuse. Technically, IT band syndrome is an overuse injury. It's kind of a misleading classification since there are usually other factors than overuse, but approaching IT band syndrome as an overuse injury is an important first step towards recovery. After icing and resting for a few days, you may need to change up your training regimen.
