The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

This paper focuses on the workplace consequences of both descriptive gender stereotypes (designating what women and men are like) and prescriptive gender stereotypes (designating what women and men should be like), and their implications for women's career progress. Its central argument is that gender stereotypes give rise to biased judgments and decisions, impeding women's advancement.
