Leadership and Developing Diversity and Inclusion. One of the great challenges facing organizations is getting all employees, from the CEO to the hourly workers, to realize that to become the best, they have to embrace diversity.. Diversity also means to create inclusion — creating an atmosphere in which all people feel valued, respected and have the same opportunities as others.

2019 Topics Theme: Center Stage: Standing Out & Speaking Up. Leveraging Intersectionality in the Workplace A term originally coined by Kimberle Crenshaw, intersectionality reminds us that our identities are not defined by a singular part of our background. While we are all connected as women, it is important to note that all aspects of our identity intersect.

Over the past few weeks we re-ran #BranchSeries that originally published last summer (2018). Each post was unique in its own way and highlighted the individual leader’s, purposefully focused and tailored, take on their branch. Every branch, in the original series, was accompanied by an interview with a senior officer at the U.S. Army War College by Lopez on Leadership.
