Paris A to Z has us returning to Zach and Angelo, two characters previously met in A to Z, Jared and Matt, from Promises, and Cole and Jonathon from Strawberries for Dessert. This time, of course, the scene is Paris, and the boys have grown up a little bit, showing an open acceptance, and appreciation, of what their significant other requires.

Once again, Marie Sexton has created an interesting and satisfying read with A to Z, the second book of the Coda series. Although I didn't think this book was as good as her first one, Promises , it is still worthy of recommendation to anyone looking for something with endearing characters and thought-out plot.

A to Z is called a Promises spin-off which is one of the selling factors for me. Having adored Promises, I was really excited to read the laid back romantic style of the author once again. This offering does evoke some of the highlights of the previous book but ultimately fails to live up to the same excellence due to the writing style.

The Review: The reviews for the previous books in the series can be found here: Promises, A to Z, The Letter Z, Strawberries for Dessert, Putting Out Fires. The Coda-based couples, Matt & Jared and Angelo & Zach, are treated to an all-expenses paid trip to Paris to attend Cole & Jonathan's wedding.
