Classroom Lessons. Bug Blitz - A Study in Biodiversity (T. Tomm, Havana Junior High, Havana, IL) In past years our district had money for field trips to local nature areas for the Butterfly Brigade project; however, budget cuts made it difficult to pay for transportation. I decided to adapt the project to a smaller level using our school garden, which is a quick walk to our front schoolyard!

The Sri Lankan elephant (*Elephas maximus maximus*) is one of three recognized subspecies of the Asian elephant, and native to Sri Lanka. Since 1986, *Elephas maximus* has been listed as endangered by IUCN as the population has declined by at least 50% over the last three generations, estimated to be 60–75 years. The species is primarily threatened by habitat loss, degradation and fragmentation.

The process by which species of organisms arise from earlier life forms and undergo change over time through natural selection. The modern understanding of the origins of species is based on the theories of Charles Darwin combined with a modern knowledge of genetics based on the work of Gregor Mendel.

Papilionanthe Miss Joaquim also known as Vanda Miss Joaquim, the Singapore orchid and the Princess Aloha orchid and incorrectly as Vanda 'Miss Agnes Joaquim', is a hybrid orchid cultivar that is Singapore's national flower. For its resilience and year-round blooming quality, it was chosen on 15 April 1981 to represent Singapore's uniqueness and hybrid culture.

Behe presents several examples of irreducibly complex systems to prove his point, but I'll just focus on one: the cilium. Cilia are hair-like structures, which are used by animals and plants to move fluid over various surfaces (for example, cilia in your respiratory tree sweep mucous towards the throat and thus promote elimination of contaminants) and by single-celled organisms to move through ...

Actor James Woods jumped into that debate in 2017, commenting on a young boy and his parents at a Pride parade holding signs that read "I [heart] my gender creative son" and "My son wears dresses & makeup...Get over it!" "This is sweet," Woods captioned the image. "Wait until this poor kid grows up, realizes what you've done, and stuffs both of you dismembered into a freezer in ...
