‘Tis the season – for pork, that is. Still following a tradition of starting piglets in the spring and early summer (raising them through the warm months, and finishing or fattening them on the abundance of fall), many local Adirondack farmers are now harvesting and selling their hogs for pork, ourselves included.

Horror films and thrillers had intertwined way back in the days of the Old Dark House (1932) and Cat People (1942). However, horror's relegation to the B-movie zone in the 1950s meant that those directors who were interested in thrillers had concentrated on producing glossy, stylish, film-noir stories with no taint of the supernatural, the monstrous, and therefore the drive-in.
