Berserker by Fred Saberhagen (Part 1) Years ago, while living in New York, the wife and I drove out west to visit in-laws, and in Minnesota I purchased the 1967 paperback edition of Berserker, the first volume in what is perhaps Fred Saberhagen's most famous series. I read a few of the stories and, not particularly impressed, put the book aside ...

MPorcus Fiction Log: Berserker by Fred Saberhagen (Part 1)

Such is the overarching premise of the Berserker series of books, by Fred Saberhagen; the first of these, simply titled Berserker, I finished reading recently. Saberhagen eventually either wrote or contributed to 17 books, the last appearing in 2005. I don't know if I'll read all of them, but I really enjoyed the first. Some thoughts follow.

Fred Saberhagen, in the first book of the Berserker series, introduces us to an unstoppable enemy to whom life itself is irrelevant. This collection of stories on a common theme predates the Terminator, the Borg and the Matrix by at least 30 years, and presents the idea of man's triumph over machines in a high-energy format which borders on the positive side of the classic pulp magazines.

The Berserker OLD BLUE kills entire planets in a few days but the main character hunts him with one ship? I dont think so. Too silly. Put aside the impossibility of hunting down a Berserker with 1 human ship and you will really enjoy this story of 1 mans undying revenge. Of all the Berserker books Id rate this among my least favorite.
