### **Claimed By Him The Billionaires**

The World's Billionaires is an annual ranking by documented net worth of the world's wealthiest billionaires compiled and published in March annually by the American business magazine Forbes. The list was first published in March 1987. The total net worth of each individual on the list is estimated and is cited in United States dollars, based on their documented assets and accounting for debt.

Washington has always been a place where power conveys as much prestige as money, or even more. Not to say we haven't also had some great wealth here: The man the city is named for, George Washington, had a fortune that's been estimated at \$525 million in today's dollars, thanks to his 7,600-acre plantation, Mount Vernon.
