Nurse Educator Solutions | Nursing School Solutions | ATI

Clinical Experience. Clinical experience plays a key role in any nursing program. The more clinical experience a student has, the better prepared they are to enter the nursing field. Placement shortages, budget cuts and restrictions make clinical hours and experience difficult, leaving students without the training they need.

Clinical Experience | ATI

Real Life™ is an interactive, online learning tool that can help students and nurse educators improve clinical reasoning, patient safety, and clinical assessment skills. Filmed using live-action video, we use real people, so students experience an emotional connection to each situation.
