1. The Bride. The bride would probably be sequestered before the wedding with female attendants, presumably her mother, other married women, and perhaps a gyōja to supervise her preparations. In order to provide a visible symbol of the loss of her former role as a maiden, the new bride might be stripped of her old clothing, and any symbols of her unwed status such as the kransen, a gilt ...

What does the word "apologetics" mean? The word "apologetics". is derived from the ancient Greek word apologia, which means, an apology.. Not an apology in the modern sense of the word - which is to say you're sorry for something. But rather, an apology in the ancient sense of the word - which is to make a reasoned defense of something or someone.

Note: This essay was originally published in 1928 (long before computer networks were invented :-)) and discussed size in the natural (biological) world and systems. As you read it, think about whether there is a "right size" for a network (or a piece of a network such as an Autonomous System), and what aspects of a network determine the "right size."
