The Saddle Club is an Australian children's television series developed by Sarah Dodd, based on the books written by Bonnie Bryant. Like the book series, the scripted live action series follows the lives of three best friends in training to compete in equestrian competitions at the fictional Pine Hollow Stables, while dealing with problems in their personal lives.

Saddle Creek Records is an American record label based in Omaha, Nebraska. Started as a college class project on entrepreneurship, the label was founded by Mike Mogis and Justin Oberst in 1993 (as Lumberjack Records). Mogis soon turned over his role in the company to Robb Nansel. The label is named after Saddle Creek Road, a street that cuts through the east side of midtown Omaha, and the ...

This week I had to make the horrible decision on what to do for one of my kitties. After being told that his heart was enlarged (not sure if that was from the beginning of his life or something that happened recently...I'm not a medical professional so I don't know how that happens) and had a small amount fluid on his lungs along with the diagnosis of saddle thrombus we chose to humanely ...
