Physical boundaries are pretty easy to spot. It's clear why you need things like locking doors, fences, and room darkening panel curtains. Physical boundaries let the good things in and keep the bad things out. But there are other types of boundaries you might be overlooking. Emotional boundaries ...

"Michael A. Singer has opened my mind to an entirely new dimension of thought. Through The Untethered Soul, I have been challenged both psychologically and intellectually in a new and exciting way. It may take more than one reading and many hours of introspection, but The Untethered Soul is a must-read for anyone in search of greater understanding of themselves and of the truth."

Darlene hope for phone counselling I am 58 and just retired from teaching. Turns out as "great" as I was in that profession and the hard work that went into it, I realize that all the accolades and successes were just misguided attempts to compensate for a lifetime of shame-based thinking and didn't really ever cancel out or reduce shame at all..

It could easily be said that my entire life's purpose is to live in complete congruence. I would say that that is your life purpose as well — and perhaps everyone's — if we take the idea far enough. So first, let's talk about what this even means. Because if you're like me, the word "congruent" probably reminds you of 6th grade geometry and not much else.

Common factors theory, a theory guiding some research in clinical psychology and counseling psychology, proposes that different approaches and evidence-based practices in psychotherapy and counseling share common factors that account for much of the effectiveness of a psychological treatment. This is in contrast to the view that the effectiveness of psychotherapy and counseling is best ...

Getting married last year was a refresher course in boundaries. If our families had got their way, we'd have been trussed up like something out of Coming To America or even My Big Fat Gypsy Wedding, with five hundred guests - all of them 'aunties' and 'uncles' don't you know - 'Sexual Chocolate' for a [...]

Over the past few years, I've written about boundaries, your personal limits of what you will and won't put up with, many times. Often, people understand their importance but fear them nonetheless. Blurred or absent boundaries means that you will put up with anything in the name of getting love, attention and validation.

Reincarnation is the philosophical or religious concept that the non-physical essence of a living being starts a new life in a different physical form or body after biological death. It is also called rebirth or transmigration, and is a part of the Saṃsāra doctrine of cyclic existence. It is a central tenet of Indian religions, namely Jainism, Buddhism, Sikhism and Hinduism, although there ...
