An exploitation film is a film that attempts to succeed financially by exploiting current trends, niche genres, or lurid content. Exploitation films are generally low-quality "B movies". They sometimes attract critical attention and cult followings. Some of these films, such as Night of the Living Dead (1968), set trends and become historically important.

Welcome to APA. The Animal Protection Agency (APA) is the UK organisation committed to ceasing the trade in wildlife for pets. Perhaps unbelievably, it is still legal in Britain to sell wild animals captured from other countries. The majority of wild-trapped animals die from the stress and disease that is associated with every stage of their harrowing journey.
